Have they visited your website, but only briefly?

TARGET THEM WITH AN AD DIRECTING THEM TO MORE INFORMATION ON YOUR SITE.

Do they like your social media content? Use an ad that promotes campus visit opportunities.

What was that school I wanted to visit?

Did they visit an application page?

SHARE INFORMATIONAL CONTENT ABOUT YOUR SCHOOL TO APPEASE THEIR WORRIES.

Data shows that in the final 120 days before conversion, prospective students care most about:

1. Affordability
2. Location
3. Flexible learning options
4. Reputation

Should I apply if I don't know if I can afford it?
